

New School Cabinet Installation Ceremony:

A Celebration of Leadership and Unity

YEAR 2024-25

The New School Cabinet Installation Ceremony held on 25th June, 2024 was a momentous occasion that showcased the true spirit of leadership and unity. The ceremony commenced with a heartfelt prayer, setting the tone for an atmosphere of inspiration and togetherness. The newly elected cabinet ministers took their oaths, promising to serve with integrity and dedication. Our esteemed principal, Sr. Maria Suzette, presented each minister with their respective badges, symbolizing their new roles as leaders within our school community. The outgoing and incoming head girls delivered inspiring speeches, sharing their experiences, gratitude, and visions for the future. Sr. Maria Suzette addressed the student body, emphasizing the significance of leadership and the responsibilities that come with it. Her words served as a guiding light, reminding us that each one of us has the capacity to be a positive force within the school and beyond. The ceremony concluded with a sense of excitement and optimism, as we congratulated the newly formed cabinet and looked forward to witnessing their initiatives and accomplishments throughout the academic year. As the saying goes, "Great leaders don't tell you what to do, they show you how it's done." Our new cabinet has shown us the true meaning of leadership, and we are eager to follow their example.

Congratulations to the new cabinet! May their leadership inspire us to achieve greatness.
