

Teachers' Day

- A Day Of Appreciation.

Teachers' Day in Carmel Pre-Primary was celebrated on the 5th of September 2024. The little ones, under the guidance of their parents and teacher coordinator, put together a memorable celebration to appreciate their teachers. The youngest students of our school welcomed their teachers with roses. The event commenced with a short prayer service followed by a heartwarming performance to the song 'You are the reason for what I am today'. A child dressed like a Walkie Talkie Card wished all the teachers. Fun games like stacking of glasses with a balloon and passing Hula-hoops were organised for the teachers. The event concluded with a musical note of thanks from the teachers. It was a day full of fun, bonding, and appreciation.
