Carmel Treasures Retreat: A Journey of Values and Identity

On the 4th and 5th of July 2024, the students of Class 10 of Apostolic Carmel High School participated in the Carmel Treasures retreat. The retreat was designed to help students deepen their understanding of their identity, their relationship with God, and their connections with those around them. Through interactive sessions, the students were encouraged to recognize that their choices are a reflection of the values they hold, emphasizing the idea that values are caught, not just taught.

Teachers used engaging visual aids, stories, songs, and dances to inspire and uplift the students. A special moment was when the Carmel treasure box was opened, revealing reflections and commitments from the students to lead value-driven lives. The retreat concluded in an atmosphere of joy and peace, with a closing prayer, leaving the students with the empowering realization that they hold the key to making positive changes in their lives and the world.
